The purpose of this special called meeting was to discuss the possibilities of forming a new Lions Club in Athens to meet in the evening.

District Governor Sam Wilson explained the requirements for a new club. A minimum of fifteen applications are required to request a Charter from Lions International.

Larry McLeod suggested that a chairman should be appointed to coordinate the activities in the procurement of the necessary fifteen applicants. Lion McLeod nominated Billy Stoll as chairman and J. B. Weaver, Jr. as secretary. These motions were seconded and passed.

The concensus of the group was that there should be no difficulty in obtaining the necessary members to form a new club. Those members of the present Lions Club who do not intend to join the new club expressed their interest and willingness to help in orgaizing a new club.

There being no further business the meeting was adjourned.

Respectfully submitted,

J. B. Weaver, Jr., Secretary
